**SMART GOAL** 🎯

Please write your SMART Goal paragraph on the document below.

- Our teachers have access to writing prompts for students who speak English as a second language, or who require extra writing help.
- LA's will find these extra prompts on their staff team drive, in Forest's Team Folder titled 'Holistic Reports' > 'SMART Goal Prompts'.

2. Self edit your paragraph to improve it. Then copy and paste it onto our Forest course page, on MH Online.

**HOLISTIC REPORT EVIDENCE** 📄

3. Click on the evidence below and carefully view the video links to learn how to 'Thrive' (or upload your evidence from your 'Great Learner Evidence Website' onto MH Online).

4. Remember, this is important to do correctly, as your LA can approve your evidence for your Holistic Report.

5. Please keep adding relevant evidence of 'Stage 1' onto your Great Learner Evidence Website as Holistic Reports are being sent home this term.

Here's our short video reminder of how to locate + share your website with your LA [Finding Your 'Great Learner Website'](#)

The aim of this website is for you to show evidence of your **MHJC Values** in action. Perhaps you helped at the Yr 6 Open Evening, are a reliable monitor or have shown commitment to a sports team or to complete a Science Fair project? Please add photos or screenshots of evidence to your website, rather than generic clipart or stock 'Google Images'.

5. It's now time to get really familiar with the second resource on [Google Classroom](#), which informs you how to load evidence from your completed '[Great Learner Evidence Website](#)' (this will be a 'link') to MH Online. Really take time to read this resource more than once, and remember to view all of the help videos too. 
6. Please complete all **8** x 'ticks' for your [Reading Plus](#) homework (**88** x '[See Readers](#)' due Sunday 16th August)
7. Please complete any **current** or **overdue** [Maths Buddy](#) tasks.
8. Fast finishers, please join our '[Kia Mana Ake](#)' [Google Classroom](#) page and practice the lyrics + actions to our school haka. The code to join is... **7qybtal**
9. Please tune on to your LA's [Google Classroom](#) page for a '[Google Meet](#)' session with your Learning Advisor at 2pm on Friday 14th August. The topic of discussion will be your progress towards completion of your '[Great Learner Evidence Website](#)'.
