

Resource Interpretation Task

Global Studies

Resource Interpretation Task

1. Brainstorm significant events that have taken place internationally and globally
2. Using your assigned significant event, research the following information to develop your knowledge of the event.
3. After you complete your research, you are required to share this with other groups so that each person uses this for revision purposes

Research Questions

1. Research the 5W's and H of the article/s of the significant event. Please ensure that you answer these in depth
2. Where is the location of this specific issue - please include a map pinpointing the specific location.
3. Include various images (pictures or memes) that have been depicted in the media regarding this issue.
4. Find 4-5 interesting facts on this issue. Make sure you summarise these interesting facts into a paragraph
5. Find an example of perspectives from your articles/images and clearly highlight how this is depicted.
