

Challenge Five Teenage Tech

Product Activity

In this activity you are challenged to create products, keeping in mind the goals of profit maximisation and quality.

Resources

- 2 x A3 white paper
- 1 x A4 black paper
- 1 x A4 red paper
- 60cm of string
- 1 x glue stick
- 1 x ruler

Suggested Time

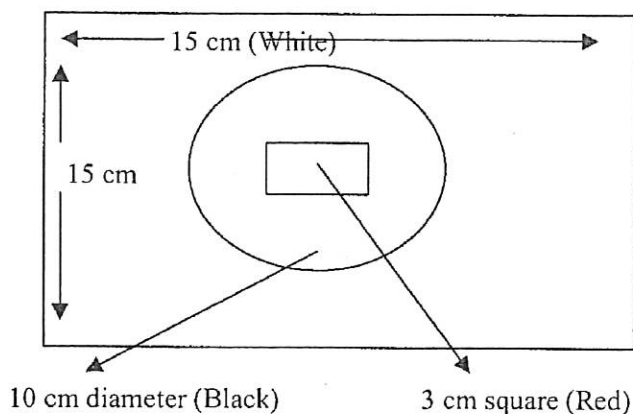

Two periods

Instructions

- Your exporting business TEENAGE TECH has been given a massive order for as many **Play Boxes** and **Music Pods** as they can make, ASAP!
- In your groups you have 30 minutes to make the Play boxes and Music Pods.
- You cannot use anything other than what is provided.
- A Play Box is worth \$250.00 and a Music Pod \$175.00 per *completed* unit.
- The more Play Boxes and Music Pods that you can make the more profit your business will make.
- You must not sacrifice the quality of your product for speed!!!
- Any products that do not reach quality specifications will be discarded.

These plans are not to scale!!!!

Play Box

Music Pod
