## Remote learning: Here's an overview of what to do... Term 1: Week 5

'Ngahere Aroha' Forest Whānau teachers hope you are feeling happy, healthy, capable and engaged as we return to **Distance Learning** this week.

You are encouraged to make important decisions about your own Curriculum Timetable throughout the week, as you take ownership for building the 'Five Ways to Wellbeing' into your week.

Here is our How to write and upload a SMART goal.

Connect - Me whakawhanaunga: Strong relationships with others are an essential part of building resilience and boosting wellbeing.

Keep Learning - Me ako tonu: Sharpening our skills, being curious and seeking out new experiences positively stimulates the brain. Be Active - Me kori tonu: Being physically active improves physical health & can improve mood, wellbeing + decrease stress/anxiety.

Give - Tukua: Carrying out acts of kindness, whether small or large, can increase happiness, life satisfaction & sense of wellbeing. Take Notice - Me are tonu: Paying more attention to the present moment, to thoughts & feelings + the world around, can boost our wellbeing.

Remember, we will <u>not</u> be following our usual school timetable this week. There is a timetable guide on Pg 2 & tasks on Pg 3 to Pg 5. Please spend 10 minutes updating your Distance Learning Journal at 2:45pm every day. This is located on your LA's Google Classroom page.

Please ensure you have completed your SMART Goal paragraph & copied it to FWhanau21 page of MH Online.

Please complete your **Student-Led Conference** 'Google Meet' + MH Online **Self-Reflection** this week. Here is a link to our 'How to...' video for your SLC student reflection...

Here's our <u>short video</u> reminder of how to share your 'Great Learner Evidence Website' with your Learning Advisor.
