

2021 Distance Learning YEAR 10 - March

Welcome to your Distance Learning programme.

You are required to:

- Each day you need to complete some work from EACH of the 6 different planning boxes below
- 5 Ways to Wellbeing, Reading Plus, Mathbuddy, Focus Friday, ePassport and Subject - Must, Should, Could
- Complete the Learning Log by identifying the work you have done each day. This spreadsheet is loaded in your Learning Advisors Google Classroom and your Learning Advisor will be tracking this
- Attend GoogleMEET with your Learning Advisor at 2pm on Monday, Wednesday, Friday
- Remember - your teachers will be checking their emails so if you have a question or need help, send them an email. If needed they can also set up a GoogleMEET with you.

Please see below an outline of the activities you can work your way through over the next 5 days. Further instructions and resources for the activities below can be found on MHOL and in the Google Classroom. [And remember - you can always email your teacher or Learning Advisor for help.](#)

Each day, plan to participate in an activity that will benefit your wellbeing. The “Keep Learning” aspect will be well supported by your teachers. [YOU need to plan and make time for the 4 other aspects.](#) Use this link to get ideas about actions/steps you could take to maintain positive wellbeing - [5 ways to Wellbeing](#)

In your PEH exercise book or a Google document - keep a log; record the actions/steps you took each day to maintain positive wellbeing. Here is a [template](#) you could make a copy of and use.

The goal each week is for a student to fill in each of the empty boxes with a white checkmark. White checkmarks in the SeeReader (SR) bar indicate that assignments have been completed with 80% or higher comprehension. Blue boxes indicate that the assignment was completed with less than 80% comprehension. Empty boxes indicate assignments still due.

Use the Reading Plus programme to complete literacy activities each day.

Site Code: mheightsjc

Use your MHJC username and password

Spend 20-30 mins on Reading Plus each day completing your Reading Plus. All 8 tasks/lessons must be completed by Friday

WIN SOME PRIZES in Women's History Month Reading Competition... See above

We're celebrating Women's History Month with a contest!

ALL US Reading Plus schools are automatically entered! From March 1st to March 26th, have your classes complete as many Reading lessons as they can with comprehension scores of 80%+. Reading Plus will take the highest performing 3 weeks* of the 4 to determine 3 weekly and 3 grand prize school winners**.

- * Weekly winners receive Reading Plus t-shirts for their class (50)
- ** Grand prize winners will receive a VISA gift card and trophy (1st, 2nd, 3rd place)

* Top 3 weeks will be chosen in consideration of varying Spring Break dates.
** Average # of lessons per student will be used to determine winners.

Your Math teacher has assigned your work (tasks) to complete on Maths Buddy.

Remember to use your Maths Homework exercise book. You need to justify your answers by completing working steps in this exercise book

Spend 15-20 minutes each day working through tasks on Maths Buddy

Ensure all your Focus Friday activities have been completed to a high standard. The resources and activities have been posted in your Learning Advisor Google classroom.

- **Exploring Me #2** in your classes Google classroom
 - Resource booklet to read
 - Activity to complete
- **Exploring Me #3** in your classes Google classroom
 - Activity to complete

Mission Heights
JUNIOR COLLEGE
ePassport
ePassport Guide

MHJC ePassport - <https://sites.google.com/mhjc.school.nz/mhjecpassport/home>

Use the guide to work your way through the activities to earn your MHJC ePassport. There are multiple levels to attain - [Bronze, Silver, Gold & Platinum](#).

ALL STUDENTS should complete the Organisational Tasks each year.

Yr 10 students should complete Cyber Safety and Digital Capabilities activities they have not completed in a previous year.

Welcome to Mission Heights Online

Mission Heights Online is the learning management system for Mission Heights Junior College. If you are looking for the Mission Heights Junior College website, [click here](#).

Our Vision: Growing Greatness / Kia Mana Ake

Mission Heights Junior College is committed to provide innovative and evolving personalised learning to enable students to be confident, active, reflective and high-achieving independent learners.
