

Create Your Own Natural Phenomenon Myth

Step 1: Choose a natural phenomenon (there are a few options listed below, but you do not have to choose one of them if you have a natural phenomenon idea of your own).

trees	ice	rivers	lightning	canyons	hail
clouds	leaves changing colors	flowers	sunsets or sunrises	deserts	specific animals

My Natural Phenomenon Choice: _____

Step 2: Make up an explanation of how this natural phenomenon came to be.
