

YEAR 9 OUTDOOR EDUCATION ASSESSMENT 2

Assessment Instructions and Task:

During term 2, 3 and 4 in Outdoor Education we have been exploring camping, tramping and map reading skills, with particular focus on how we can use these skills for managing risk.

You have had opportunities to:

- Discover camping and tramping skills and knowledge to participate successfully
- Identifying risk and options for how to mitigate risk
- Experimented with map and compass use

Your assessment task:

You are required to:

- Apply your learnings of camping and tramping skills to demonstrate your ability to act with safety in mind while preparing for and participating in a day tramp.
- Demonstrate the use of map reading skills while participating in a day tramp.

Due Date: Friday 5th November 2021

Students understand the importance of practising safety procedures and strategies to manage risk situations in the outdoors.

Criteria	Working TOWARDS	Working AT	Working ABOVE	Working BEYOND
Safety Management	You have yet to show that you can think and act with the safety of people, property or the environment in mind.
