

SEA LIFE Behaviour Agreement

The SEA LIFE Aquarium is a place of learning, amazing discovery and fun! To make your visit productive and enjoyable discuss the following with your students before your visit. Please bring your signed copy of the Behaviour Contract with you for admission to the aquarium.

We, the students of _____

(Year group)

at _____

(School)

agree to the following:

- We will stay with our parent helpers or a teacher at all times – supervision is required even within the playground.
- We know we will be sharing the aquarium with other schools and visitors and will treat them with courtesy and respect.
- We understand the aquarium is a place of learning. We will not run, shout or climb on the exhibits. We ask that if you are interacting with an exhibit that you do so gently.
- We will help protect the animals. We will touch gently when invited to touch them, not frighten them, handle them harshly, remove them from the water, shout at them or tap on the glass.
- We will make sure we collect all our rubbish when we eat lunch and dispose of it properly.
- If we have questions we will ask with our inside voice and listen carefully to answers one at a time.
- We will use the public benches for our lunch and not the café tables which are to be left for the general public.
- We will exit the aquarium via the emergency exit doors in the Seahorse Kingdom and not go through the gift shop. We will not enter the gift shop at all.

I have read the behaviour contract to my group and accept responsibility for their conduct in the SEA LIFE Aquarium.
