

Bake Sale Fundraiser Budget

WALT create simple budget

Success Criteria I can plan a budget using given prices

The year 9 class decided to hold a bake sale to fundraise for their upcoming school camp. The students decided to make 100 cupcakes.

They can make the cupcakes from scratch with a recipe that makes 12 chocolate chip cupcakes per batch, or purchase chocolate cupcake mix that requires adding milk, egg and butter and makes 24.

Here is the list of items and the individual prices.

Item	Amount in pack	Price	One batch requires
chocolate chips	200g	\$4.45	255g
self-raising flour	1kg	\$0.75	680g
milk	2 litres	\$3.00	240ml
eggs	12	\$4.99	1
caster sugar	1kg	\$1.99	340g
butter	500g	\$3.60	60g
vanilla essence	100ml	\$7.00	5ml
patty pans	100	\$3.00	12
cupcake mix chocolate (need to add egg, milk, butter)	Makes 24	\$4.00	2 eggs, 125ml milk, 60g butter

This year, the Year 9 class have been given the chance to choose where they would like to go on camp!

There are two location options. Each option includes a variety of activities and food choices at different costs. Each student will need one food package for each of their meals and four different activities.

There is a budget limit of \$70 per student for the entire camp. You do not have to spend all of the budget, as long as you meet the camp requirements.
