Your name/s Date

Although dictionaries can be a great help, they do not always provide you with a definition you can understand or use. It is important to think about a new word or concept in several different ways.

There are many resources you can use to help you complete this chart:

Experts: teachers or other students

Reference tools: online resources, dictionaries, thesauruses

Context clues: from the text the word is in

Your prior knowledge: what you already know about words. For example, if you know what 'pharmacy' means, it may help you to make a good prediction about what 'pharmacology' means.
