

### Graph Analysis (class example)

Title of Graph: X-axis(independent): Y-axis (dependent ): Or other data?:	Type of Graph:
Surface Level Statements (facts the graph is telling us)	
What stories does the data tell us?(what is going on behind the scenes)	
What should we do moving forward?/ what is the take away from this?	

### Graph Analysis (your turn!)

Pick data from: <https://www.stats.govt.nz/infographics/> or <https://www.stats.govt.nz/all-topics/>

Title of Graph: X-axis: Y-axis: Or other data?:	Type of Graph:
Surface Level Statements (facts the graph is telling us)	
-	

What stories does the data tell us?(what is going on behind the scenes)

-

What should we do moving forward?
