

Tuakana-Teina: teaching younger students and whānau about the benefits of being outdoors in nature (audience - ages 5-7 years)

Either

A. create a short story for tamariki aged 5-7 years that teaches them about the benefits of being outdoors in nature/ away from their screens

OR

B. create a non-fiction book for tamariki aged 5-7 years that teaches them about the benefits of being outdoors in nature/ away from their screens

***Tuakana-Teina:* teaching younger students and whānau about the benefits of being outdoors in nature (audience - ages 5-7 years)**

Investigating picture books.

You will be reading several books to get some ideas.

What do you notice about pictures, text, and the layout of these?

- poem - style of writing - rhyming
 - repetition
 - pictures describe what is happening in the text
 - pages connected
 - simple drawings
- 

***Tuakana-Teina:* teaching younger students and whānau about the benefits of being outdoors in nature (audience - ages 5-7 years)**

Week 7 - Planning:

Fiction picture books

- Plan your characters and plot
- illustration style?

Non-fiction

- plan your layout and content
-
