

En mi mochila

In my bag

En la mochila

Learning objective:

saying what objects you have &
what objects you haven't got in your school bag.

All objects in Spanish are either masculine or feminine. As a general rule if a word ends in 'o' it is **masculine**, if it ends in 'a' it is **feminine**.

Careful: there are some exceptions.

¡Atención!

What are the 2 ways of saying "a" in Spanish?

un & **una**

What is the difference in them?

un is masculine and **una** is feminine.

How can you guess if a noun is masculine or feminine?

masculine nouns usually end in "o" or a consonant,

feminine nouns end in "a"
