

On thursday 7th March at 4:43, jeff gold was murdered by a gunshot to the chest at MHJC. And the incident occurring in the F8 (science lab), forest, mhjc. So according to a letter found at the scene of murder, Jeff Gold was on the hunt to steal the sarcophagus from Ms RB, which he sells to her with a mummy This reveals Gold made a mistake when selling the products, not realizing one's worth. 3 pieces of evidence have also been collected at the site of murder the 1st piece is a letter written by pen-ink, that reveals the motive of murder against Jeff Gold the 2nd piece of evidence is a revolver, whose bullet was shot at Jeff Gold through the chest. Our final piece of evidence is a food substance that is eaten during the time of murder. In this report i will be using this evidence to prove why i believe the murderer is Mrs. Lambert.
