

ACTIVITY

- 1. In your group, choose an Olympic host country from the past (e.g., London 2012, Rio 2016, Tokyo 2020).**
- 2. Questions for your research:**
 - What were the expected economic benefits of hosting the Olympics for this country?**
 - What were the actual economic outcomes (costs, revenues, infrastructure development, tourism, etc.)?**
 - What were some challenges and negative impacts faced by the host country?**
 - How did hosting the Olympics affect the local community and environment?**
