

## Technical terms for filmmaking: Matching activity

*WALT understand and recall some filmmaking vocabulary so that we can use these words when talking about a film.*

*Read, discuss and sort the definitions.*

*Don't glue them into your book until we have had a class discussion to check them.*

drama		Arm and hand movements to show expression
gesture		A camera is mounted to this vehicle or trolley
SFX		A play intended for acting on a stage
close up		A lens that can move the subject closer or further away
props		Special effects
mime		A close shot of the subject being filmed
zoom		Articles and items used by the actors on the stage or film set
dolly		Movement and acting without words
dialogue		Character talk
tilt		When the camera moves vertically up and down
characters		People in a play, TV drama film or story
medium shot		A shot that reveals more of the subject
