

YEAR 7 WATER PEH ASSESSMENT 1 - RELATIONSHIPS

Assessment Instructions

This term in Water we have been exploring the learning context Turangawaewae - My place to stand at MHJC. During PEH we have explored friendship values and how to make new friends as well as maintaining old friends while in a new school environment.

You have been given time on camp to reflect on some friendship values you have displayed during your activities.

You assessment task:

Option 1 - Individually **create a static image** that shows friendship values you displayed to make and maintain friendships while on camp. Then, **explain** your static image to Miss Thomas, including, which friendship value you have chosen, how you used it and the impact on the friendship between you and the other person/people.

You should submit:

- Static image
- Written explanation or verbal explanation sound file (recorded together)

Option 2 - In small groups of 2-3, plan and **perform a role play** which demonstrates friendship values used to make and maintain friendships while on camp. Then, **explain**, including, which friendship value you have chosen, how you used it and the impact on the friendship between you and the other person/people.

You should submit:

- Role play script
- Written explanation or verbal explanation sound file (recorded together)

Students understand their role and responsibility in making and maintaining friendships during change.
