## Yr 9 Assessment 1 - Maths & Global Studies: What is New Zealand's identity?

Through this assessment you are required to think about what it means to be a New Zealander and reflect on our national identity. <a href="https://www.newshub.co.nz/home/new-zealand/2019/02/what-is-new-zealand-s-identity.html">https://www.newshub.co.nz/home/new-zealand/2019/02/what-is-new-zealand-s-identity.html</a>

To support your thinking on this FOCUS you will examine New Zealand's changing populations (demographics) in Maths and in Global Studies.

Through this assessment task you will:

- Compare and contrast New Zealand demographic makeup and Auckland Region demographic makeup
  - explain similarities and differences
- Write an opinion piece to answer the question What is NZ's identity?
  - explain the impact of demographic patterns on people and places

## Task Instructions

- 1. Review the 2x sets of data fact sheets about New Zealand's population and Manukau City's population
- 2. Select data and use your ratio/proportion, decimal, percentage, fractions and integers skills to convert the raw data into a visual Infographic
- Create your infographic to compare/contrast the two populations https://piktochart.com/ https://www.canva.com/create/infographics/
- 4. Use your knowledge of New Zealand's changing population and your infographic to write an opinion piece that addresses the question What is New Zealand's identity?

## What must you hand in?

- All calculations and worksteps
- Compare/Contrast table
- Infographic poster that compares/contrasts New Zealand's population and Auckland region's population visually through ratio/proportion, decimal, percentage, fraction and integers
- Written opinion piece that addresses the question What is New Zealand's identity?

| Criteria                          | WORKING TOWARDS Curriculum expectation   | Working AT curriculum expectation   | Working ABOVE curriculum expectations  | Working BEYOND curriculum expectation  |
|-----------------------------------|--|---|--|--|
| Number operation in context       | You have attempted to use number operations such as integers, decimal, fractions, percentages & proportions  | You have used number operations such as integers, decimal, fractions, percentages & proportions               | You have used most number operations in multiple steps such as integers, decimal, fractions, percentages & proportions | You have used all number operations in multiple steps precisely such as integers, decimal, fractions, percentage &, proportions    |
| Number<br>Knowledge in<br>context | You have attempted to explain the method using steps   | You have explained the method using steps   | You have explained the method using multiple steps   | You have explained the method using multiple steps with justification  |
| Compare &<br>Contrast             | You have identified differences and/or similarities between the Auckland region and New Zealand's demography | You have described some differences and similarities between the Auckland region and New Zealand's demography | You have explained differences<br>and similarities between the<br>Auckland region and New<br>Zealand's demography      | You have explained differences and similarities between the Auckland region and New Zealand's demography using supporting evidence |
| Opinion Piece                     | You have identified the impact of demographic patterns on cultural identity to justify your opinion          | You have described the impact of demographic patterns on cultural identity to justify your opinion            | You have explained the impact of demographic patterns on cultural identity to justify your opinion                     | You have explained the impact of demographic patterns on cultural identity using evidence to justify your opinion                  |

| Managing Self | You have been supported to begin developing your managing self skills | Your expected managing self skills are developing | You have demonstrated managing self skills | You have taken ownership of your learning and demonstrated effective managing self skills |
|---------------|---|---|--|---|
| Overall       | Working TOWARDS   | Working AT  | Working ABOVE                              | Working BEYOND  |
