# Verbal and Visual techniques used with this character - Jaden

Hec is usually seen wearing his blue and black plaid swanndri. Underneath Hec's swanndri is his grey sweater and his beige sunhat. Sometimes when he's not wearing his sunhat he wears a grey beanie. For his bottoms, Hec wears a pair of long khaki pants and brown boots. These selection of clothing shows that Hec is an outdoors person and lives in a rural area. His beard makes him look old and tough and been exposed to the outdoors.
