Classroom Picture Graph: Birthdays

Materials Needed.

- Crayons/Markers
- Scissors
- Glue
- Pencil
- 1 cupcake pattern

Directions:

Step 1
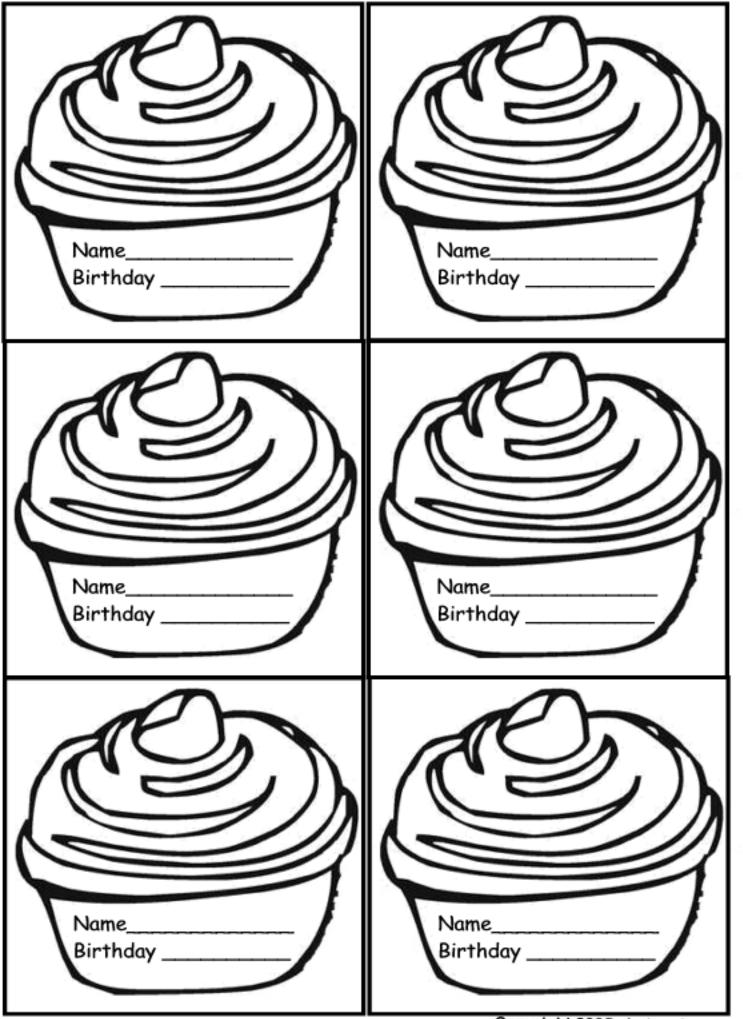

- Cut out a cupcake pattern
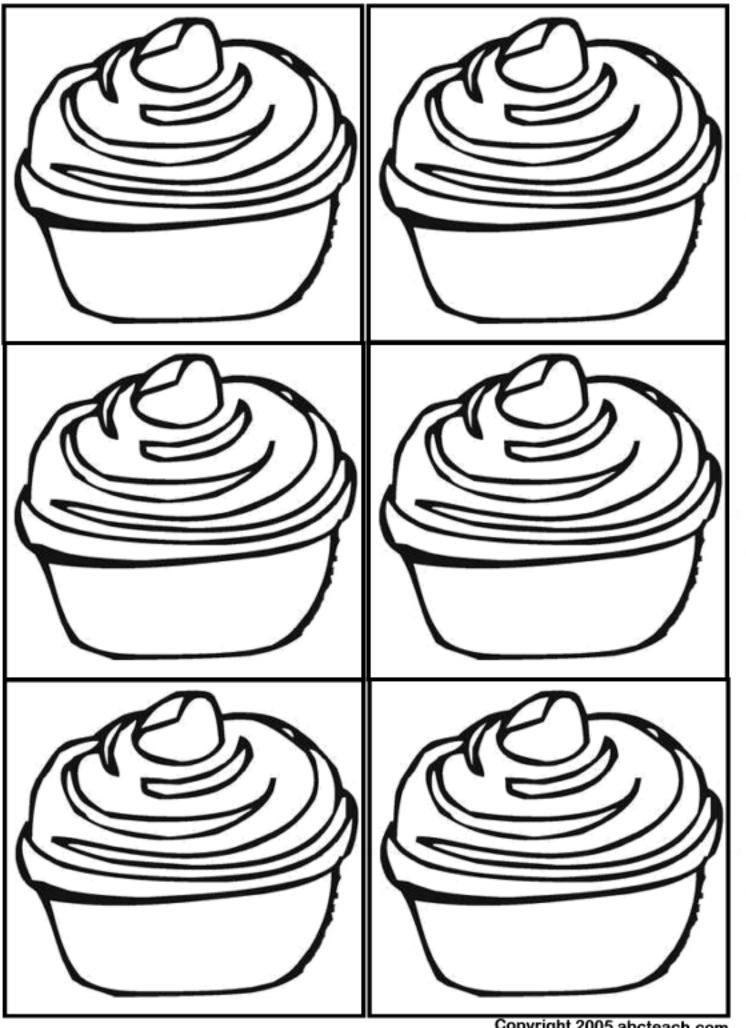

Step 2

- Write you name.
- Write your birthday.

Step 3

- Color your cupcake pattern.
- Find the month you were born on the classroom graph.
- Glue your cupcake pattern to the classroom graph.

*Teacher Note: This picture graph makes a great bulletin board or can be displayed on a classroom door. Use bulletin board paper and roll it up when you don't want it displayed anymore. Bring it out for open houses and conference times.
