Character name and image from the film

Psycho sam

The hunters

Relationship with other characters- Psycho sam

His relationship with Ricky, and Heck is that he helped them run away from the police by him slowing them down and standing as the last man. He also let them stay the night they meet him in his cabin, and also treated them to some food.

Relationship with other characters-The hunters

The hunters' relationship with with Ricky, Hec and the police are; the hunters fought with hec in an attempt to save Ricky from the “dirty, old, man” or in other words “ a pervert”. Further, after the fight that Hec won by default because of ricky stepping in and shooting a rifle, to break them up and resulting in them running away. The hunters told the reporters what had happened to them and ricky with their own little twist of them beating hec, but somehow them still getting away.

Themes displayed by the character - Psycho Sam

- Explain how

Psycho

Mental issues

Last stand- psycho sam shows this when

Quotes from the character

Hec : Sam, what's the fastest way out of here?

Psycho Sam : Jetpack.

Ricky Baker : [excited] Do you actually have a jetpack?

Hunter 1: calm down! Put the rifle down..

Technique - Visual - Hunters

Shallow mid shot -It can shows 4 hunters at same time
also some background

Technique - Verbal of The Hunter

They looked surprised , Because they don't know there were people or animal come out

Technique - Visual - psycho sam

Camera angle:mid

It can make viewer see more body detail of character. For example

You can see the detail of the shirt he wear you can see he has gun on his hand .

Technique - Verbal of Psycho Sam

You can see he is a bush dweller he lives around the area because he

Has just the rifle and not any gear

You can see that he is surprised to see them but also a little relieved

Relevance to real life

This movie's relevance to real life is that there are so many people getting treated bad because of things they did not do. Things they overlooked in a person. Things like not treating them like a human being.

Overall this movie tells us the problems with society. Things like not giving mental health care to psychos. Or framing these things with like pervert, or murderer
