If you want to play with water,  
I'll give you a tip,  
Make sure that there is an adult,  
Before you take a dip.

If you want to play with water,  
I'll lend you a hand,  
Never run or horseplay,  
In the water or on land.

If you want to play with water,  
Let me give you some advice,  
Make sure you stay nice and warm  
So you don't turn to ice.

If you want to play with water,  
I have one more thing to say,  
Make sure you have lots of fun,  
Before summer goes away!
